

## Summer Camp Essential Information

### ***Drop Off and Pick Up***

Drop off is at front door – parents must leave their children off at the front door with the coaches. Parents cannot come into the building for summer camp. If your child is unable to attend alone please let us know and we can advise.

### ***Clothing***

We recommend a shorts and t shirt or leotard and shorts. Hair must be tied up and no jewellery including studs. Studs are not permitted under the British gymnastic policy and must be removed.

### ***Changing camps***

There is no fee to change camps but we can only move booking if a space is available as we are limited by numbers and all of the camps are booked out very early on. Please ensure your dates are suitable before booking as we are unable to move children if dates are not available and they very seldom are.

### ***Refunds/cancelling camps***

Refunds for camps will only be granted if 28 days notice is given. The amount refunded will be minus the 4.8% class 4 kids booking fee. Please note we cannot make any exceptions to this policy.

### ***Lunches and snacks***

All children must bring enough water. Summer camp requires a lot of exertion and the children need more than 1 bottle of water. Please bring a snack for your child. Due to high allergy status within the club we cannot allow any foods of the following:

- Hazelnut or chocolate spread
- Any Kinder products
- Coconut(children have coconut allergies that attend)
- Any product that states may contain nuts
- Any Home baked goods ie: buns/muffins/waffles etc
- Anything from a multi pack that does not show ingredients.(These can be attached to the lunch pack)

All of these foods will be removed due to the risk it presents to current members with allergies. Please do not send any of these products and check your child's lunch as we do lunch checks daily and these will be removed. Any product removed will be returned at the end of the session.

We appreciate this may be stricter than certain policies at certain schools, however this is the club policy to safeguard the many children that attend with life threatening allergies. The clubs position is final in regards to this policy and we cannot make any exceptions.

***Candy Floss/Glitter Tattoos/Face paints/ Sweets***

Please let us know on the first day of camp, if you child is unable to participate in any of the following:

- Glitter Tattoos
- Face Paints

In addition we may offer candy floss so please let us know if your child is not permitted to have this.
